Re: *United States v. Ivanjoel Aryeetey*, 23-CR-00561 (S.D.N.Y.)
Letter Motion Requesting Extension for Motion to Suppress

Dear Judge Cronan:

Ivanjoel Aryeetey, defendant in the above-captioned case, through his undersigned counsel, respectfully requests an extension of seven days to file pretrial motions. The government consents. Mr. Aryeetey has not previously requested any extensions in this case.

On January 5, 2024, this case was reassigned from District Judge J. Paul Oetken to Your Honor. On October 19, 2023, Judge Oetken set a January 10 deadline for Aryeetey to file pretrial motions. We understand Your Honor's Individual Rule of Practice 1.E requires 48 hours notice. However, we were only notified of the transfer on January 8, 2024.

Mr. Aryeetey now requests an extension of seven days to file his pretrial motions. The schedule which Mr. Aryeetey requests, and the government has consented to, are Mr. Aryeetey's pretrial motions being due on January 17, 2024, and the government's response being due on January 31, 2024.

Thank you for your consideration of this request.

Respectfully Submitted,
